TO THESE TWO MEN,

D. H. PATTON

The seniors of 1938 regard Mr. D. H. Patton as our superintendent in a very special way. He came to Bellevue in 1932 as we entered Junior High and we remained under his guidance until the middle of our senior year when he became assistant superintendent of the Toledo, Ohio, schools.

Although he began work in Bellevue during an economic depression, Mr. Patton with the Board of Education, kept the schools in excellent financial standing and at the same time helped them move forward in line with modern educational methods. His forceful, enthusiastic leadership was felt throughout the entire school system. Individual students felt his personal interest.

The seniors join with the rest of the school and faculty in wishing him success and happiness in his new position.

OUR GUIDES AND OUR FRIENDS,

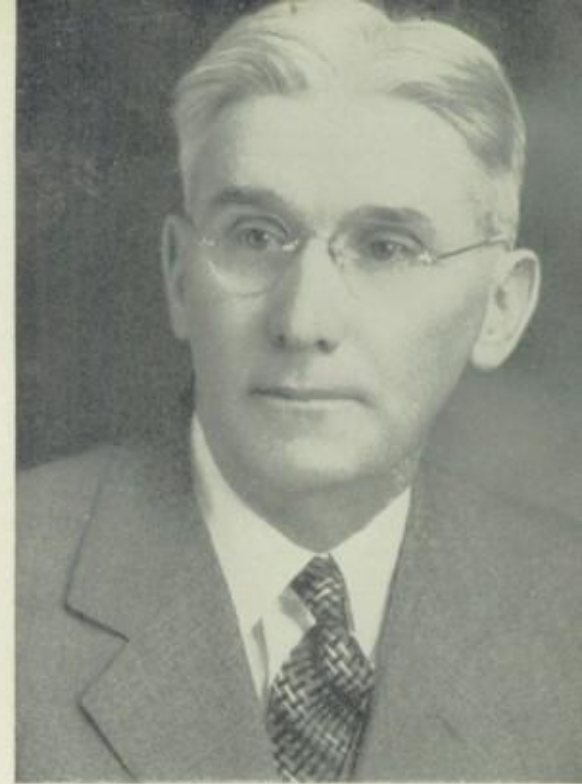

THE CLASS OF 1938 DEDICATES

As principal of the high school, Mr. Alfred Ross has effectively served the students of Bellevue High School for twenty years, weaving the many threads of a busy high school into a harmonious pattern.

His inspirational advice concerning their problems and perplexities will never be forgotten by the innumerable students who have had his counsel. In fact, it is Mr. Ross' ultimate goal in life to help students to obtain their desires.

In the physics classes our principal takes the students through the maze of science, and opens to them some of the thrills of discovery in the modern scientific world.

Mr. Ross' wise and scholarly outlook on life makes him one of the outstanding personalities at B. H. S.

ALFRED ROSS

THIS COMET

WE PAY TRIBUTE

E. F. WARNER

It is fitting that an annual with time as its theme should honor the man who served the Bellevue schools for the longest superintendency in its history. Prof. E. F. Warner was our school head for twenty-eight years, from 1886 to 1914.

Under him there was rapid progress. The school plant grew from two to five buildings, the curriculum was enlarged, and the standards so advanced that in 1902 Bellevue was accredited by the North Central Association of Secondary Schools.

When Mr. Warner resigned to become a state school inspector, he remained keenly interested in the work he had built so well. As a retired citizen in Bellevue, he retains that interest today.

TO ONE WHO BUILT IN THE PAST

WE WELCOME ONE WHO BUILDS

The class of 1938, the first to graduate under Bellevue's new superintendent, Wallace L. Arnholt, takes this opportunity to give him a hearty welcome. Although he has been in Bellevue only six months, already the students of B. H. S. have learned to like his genial and friendly personality and to appreciate his progressive attitude toward the newest and best in education.

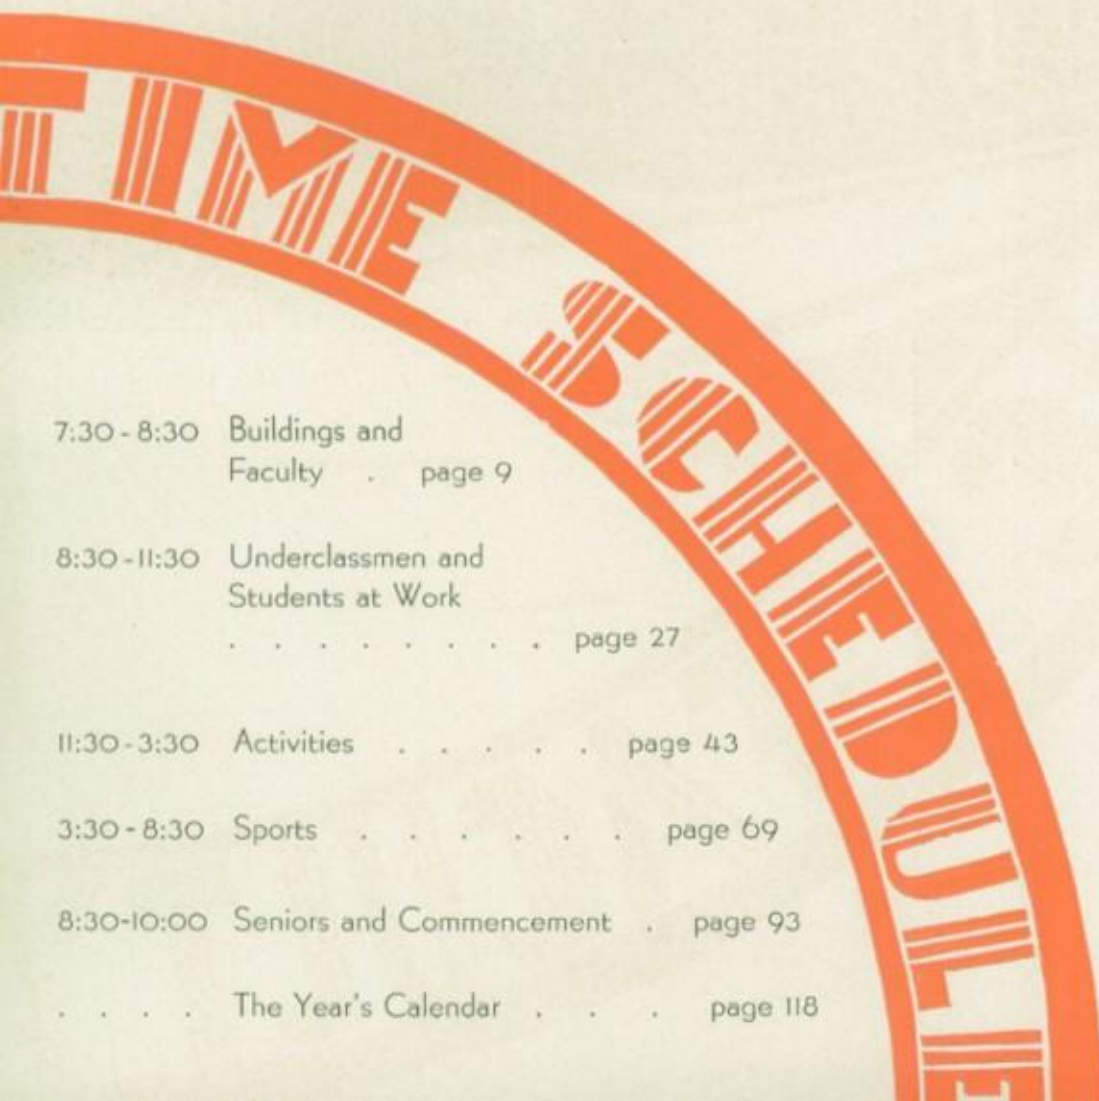

Mr. Arnholt came to Bellevue from Carey, Ohio, in December, 1937. He is a graduate of Ohio State University, and he has done extensive post-graduate work at that same university and at the University of Chicago.

Under his able leadership, the Bellevue Schools are moving happily and confidently forward toward the future.

'TIS ARCHIE ALARM CLOCK SPEAKING . . .

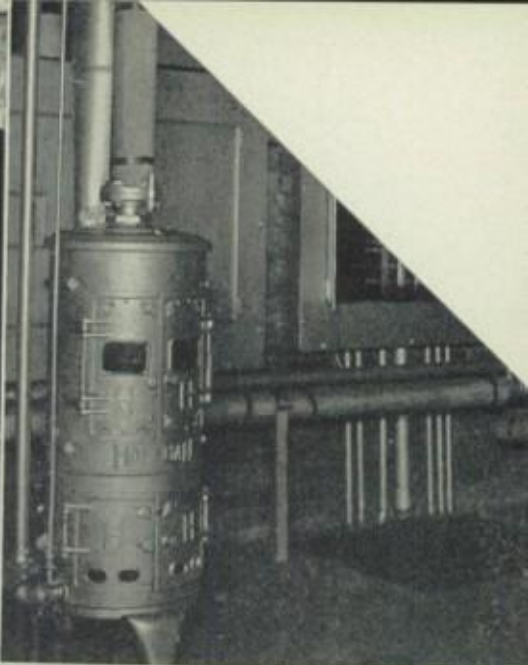

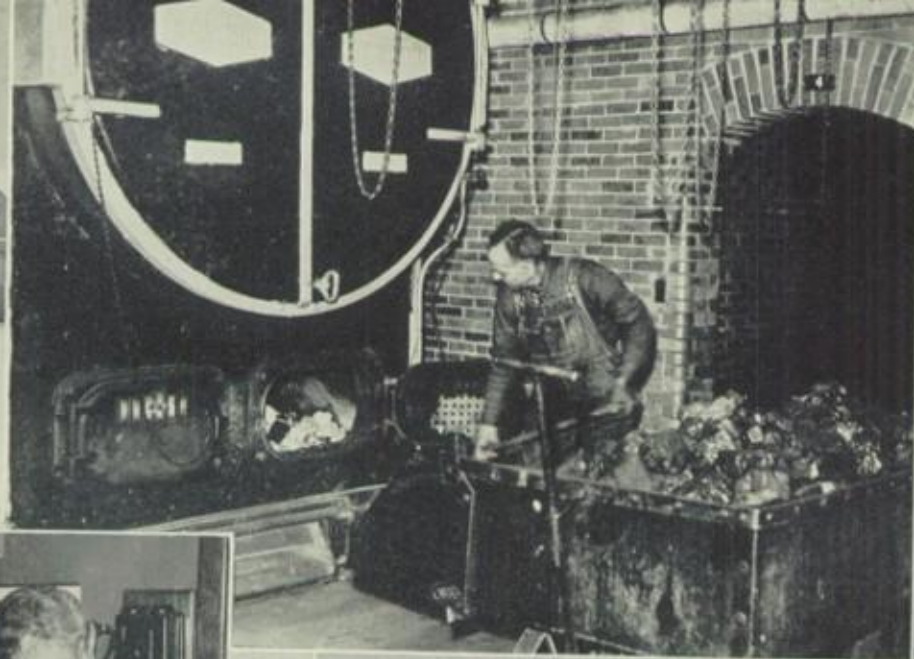

"Br-r-r! Wake up! It's time to be up and off to school. Get up, you sleepyhead, and see that you hurry! Last bell at 8:33. That's my story and I 'tick' to it.

"What? So I'm a foolish looking creature, am I? And you think my voice is shrill and loud! Well, let me tell you that it is I who get Central High School off to an early start every morning. Long before 8:00, I rouse the janitors from their warm beds. Even now Mr. Nuby is firing up and is getting B. H. S. warm and comfortable, while Mr. Napka cleans the snowy walks.

Mr. Arnholt depends on me, as does Mr. Ross. All the teachers obey my call and I make the girls in the office punctual, too.

"Just look at the opposite page to see what a busy place Bellevue High School is between 8:00 and 8:30. And it's all because of me!

"Now turn the page and you'll see all the buildings whose activities I start. And next I'll show you the teachers whom I hurry off to school on time."

"The state of affairs this building would be in if it were not for me!

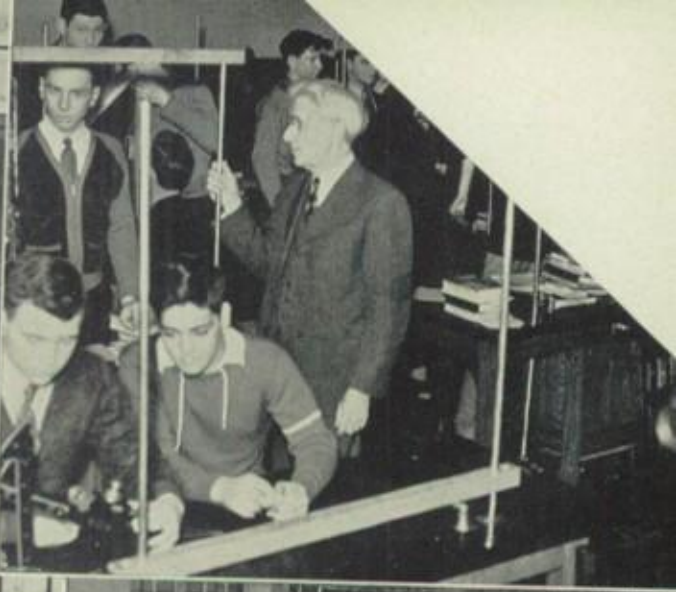

"What say you, dear reader? What do I do? Humph! I ring the tardy bell, I start and stop the eight periods of each day, and I give the signal for dismissal.

"Just look at Mr. Corthell in his history class. He obeys me. So does Mr Stark in his woodworking class. In fact, I am the real boss of this school in spite of what superintendents, principals, and school boards may think.

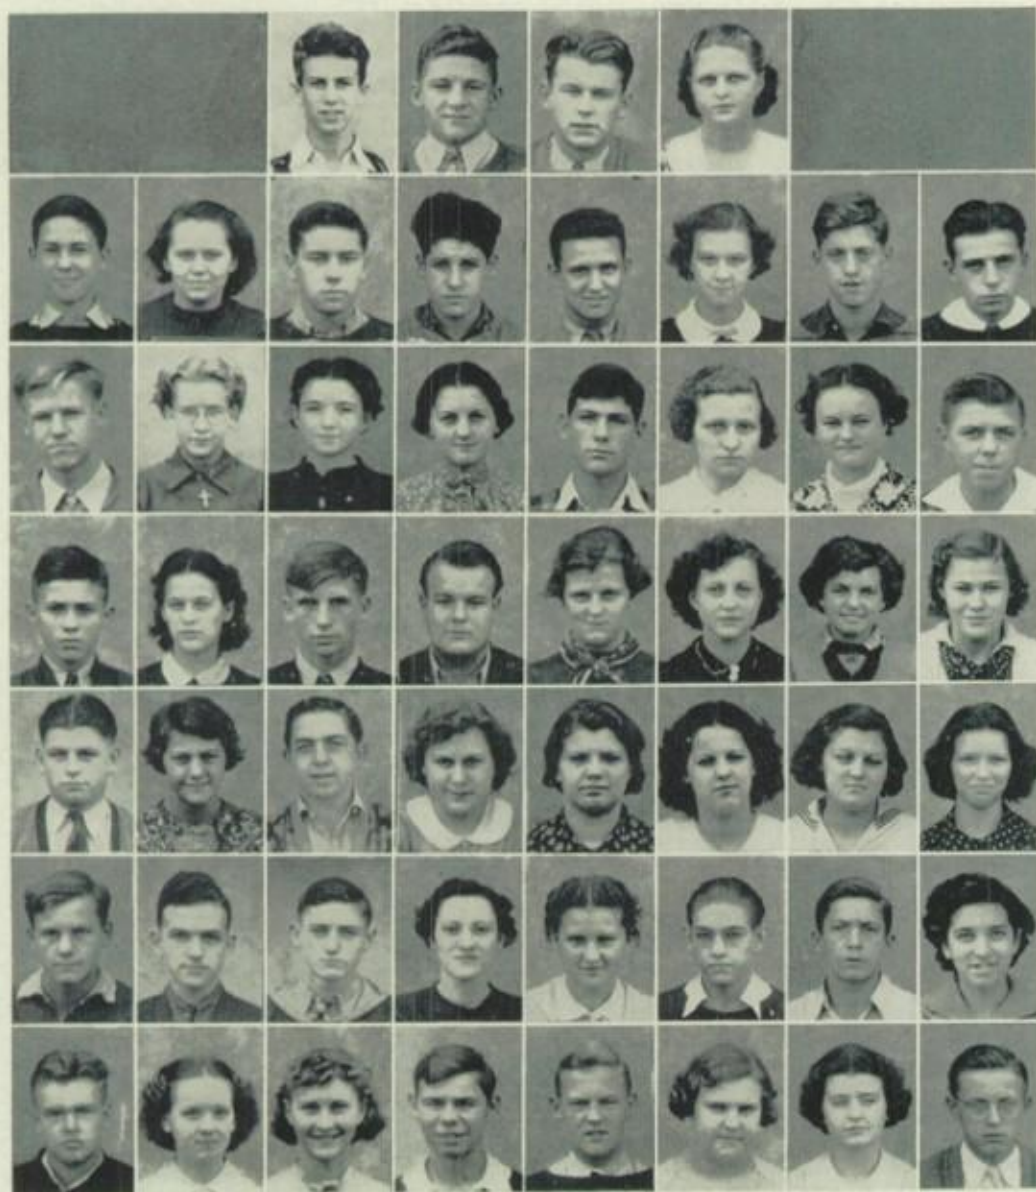

"Look at that boy in the Biology class. When I ring at the close of the period, how he will jump—but the frog won't!

"All day I hang in the corridor, just ticking along and watching life rush by. I know all the students from Abel and Zerman, and if you turn the following pages, you, too, will meet many of them. Don't forget, I manage them all.

"Pardon my ticking so loudly—I get excited when I think of all my duties."

When School Begins, the
STUDY HALL is a Busy
Place; Frequent Use, Too,
Has the AUDITORIUM

The study hall, with its long, straight rows of shiny chairs and tables, its well-stocked reference library, and its many copies of well-known paintings, provides a pleasant place for students to spend their forty-five minute study periods, preparing their daily assignments. The students pictured here make each minute count.

This group was caught by the camera at a full high school assembly. Within the walls of the attractively decorated auditorium, students spend many happy "times-around-the-clock-on-the-wall," when exciting games, musical programs, lectures, or plays entertain them. For one game this year, the spacious room held 2000 people.

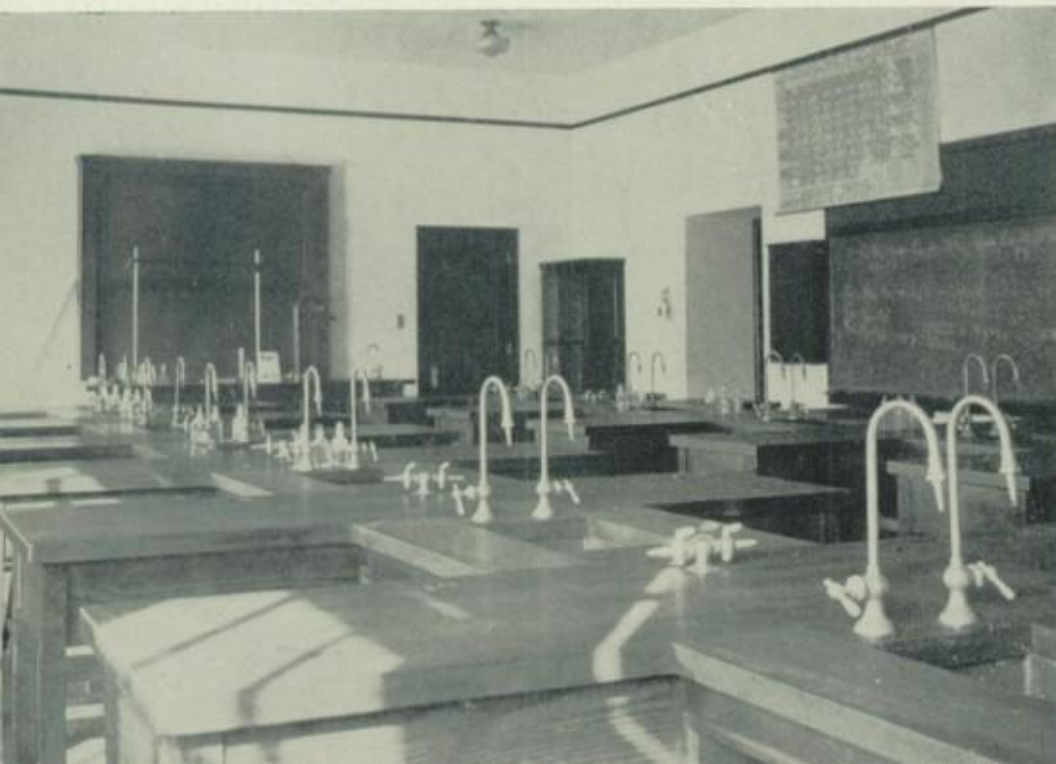

In the Laboratories

Time to work . . . Time to repair . . . All kinds of useful knowledge is acquired in the general shop where steel lathe, a drill press, a forge, and a spinning lathe are kept busy.

The chemistry laboratory is unparalleled in its ability to concoct distinctive odors. Molecules and atoms seem to cause excitement here.

The typing room, the center of the commercial department, presents a business-like scene with its rows of shiny typewriters. A place for rhythm and speed!

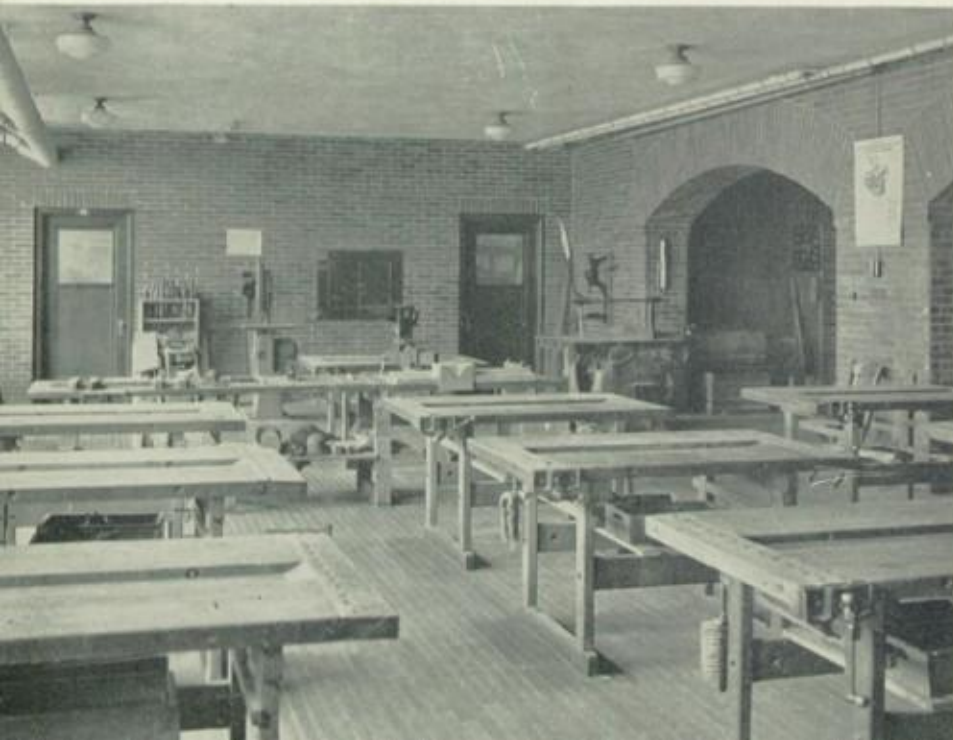

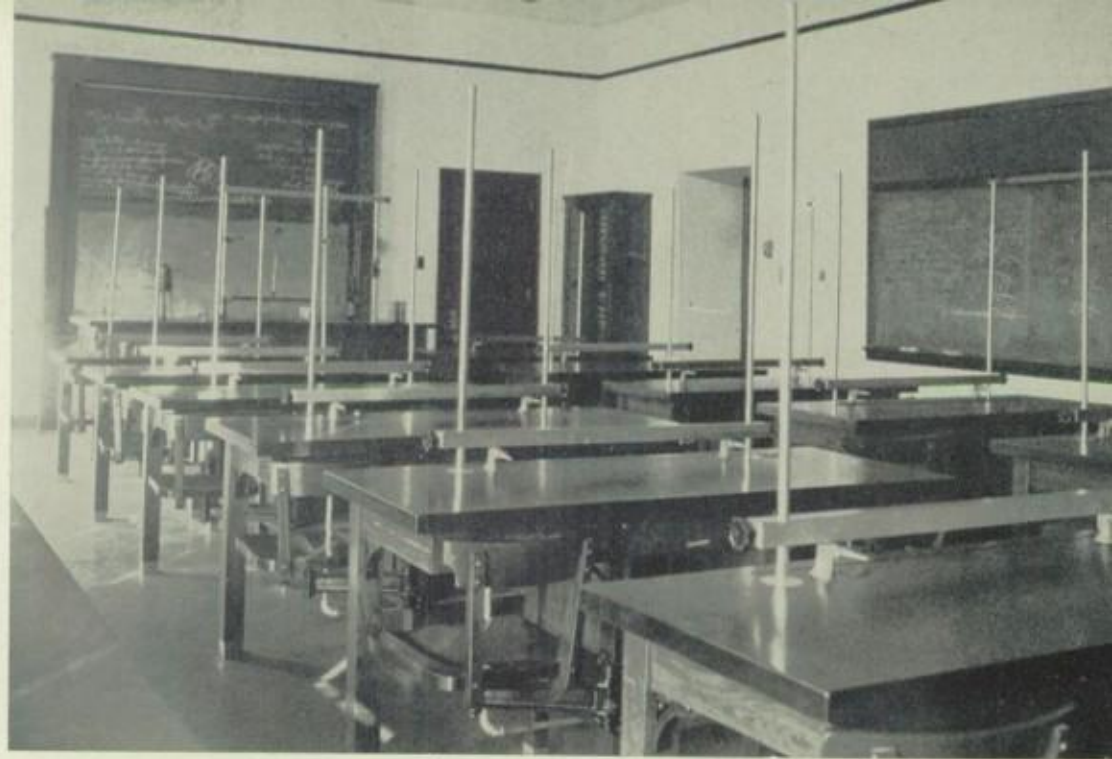

We Learn By Doing

"A nail in time saves nine!" So think the boys in the woodworking shop, where lathe, vise, and hammer are necessities.

Timely topics in the physics laboratory: sound, atmospheric pressure, light, electricity. No dull brain is allowed in this room of shining desks.

The fish seem to fare best in the biology laboratory with its aquarium, but the dissecting shears so often wielded by the curious students seem to prove us wrong.

WILLIE WRIST WATCH HAS HIS SAY . . .

"We members of the Wrist Watch family are mighty important, too, in spite of the boasting of Mr. Hall Clock. The students are always 'watching' us, as we ride around on their arms, for we help them in many an activity. We may be little but we're mighty!

"Just follow me around for a while and I'll show you a thing or two. It's noon and those boys seem to be enjoying their lunch. Let's hurry—they make me hungry. Candy bars are popular, especially when sold by the seniors to help publish this book.

"Then in home room on Wednesday before I say the fifth period has come, there is banking for the games and for this Comet. Look at the chart.

"Now the fifth period is officially announced, and people hurry to Science Club, Crimson Troupers, and Girl Reserves. So do I. I'm so much in demand! They all need me to keep the minutes. I never could figure out what they mean when they say the secretary keeps them!"

THE YEAR'S RECORD - THE AIM OF

The first staff meeting . . . An entirely "new and different" book is imperative . . . The shape is changed . . . plastic binding . . . can it be done? . . . Certainly, we can do anything . . . not egotism, just confidence . . . Mr. Buyer sneaks around corners, snaps his picture, and moves on to new scenes . . . Time as the theme . . . What kind of a clock can we use here? . . . Deadlines are set . . . Work, work, more work . . . At last we see the cover . . . individual names . . . red and white . . . swell . . . THE 1938 COMET!

The High Ideals of Living Are Upheld by These

The time budget of every Hi-Y member keeps an hour free each week for the regular meeting at the Y. M. C. A. . . . President Paul Rempe raps the gavel . . . the minutes are read, dues are collected and a typical meeting is underway . . . Tom Shannon, chairman of program committee, introduces the speaker . . . Dr. H. K. Shumaker and Mr. J. W. Gahn are present to advise and lead . . . Vocational guidance monograms are prepared as each boy studies requirements and possibilities of a chosen vocation . . . Members address a G. R. meeting and later the Girl Reserves return the compliment.

An inspirational Church Night is held at the Methodist church when Hi-Y members conduct the service . . . the four planks, Clean Living, Clean Speech, Clean Scholarship, and Clean Athletics, are stressed . . . on March 19, Bellevue Hi-Y boys are hosts as 170 attend the Hi-Y-Coed conference with Dr. Frank D. Slutz as the principal speaker . . . a smooth prom is held at the high school in April . . . the installation banquet closes the club program in May . . . the Hi-Y has a full year.

The freshmen and sophomores of the Junior Hi-Y also meet at the Y. M. C. A. on Monday nights . . . it's a very large club of members who endeavor "to create and maintain, throughout our school and our community, high standards of Christian character" . . . parties are held in the "Y" gym . . . the club combines with the Senior group for special events.

The Science Club now in its fifth year continues to progress under able officers and a talented adviser.

Test tubes, retorts, the stuffed birds, and the aquarium of the biology laboratory form an appropriate background for the scientifically-minded juniors and seniors who are eligible for membership . . . Meetings are held on alternate Mondays when discussions are held, and talks are given. Airplanes,—Body Designs and Mechanical Features of the New Cars,—Steam Engines,—Aspects of Alcohol,—Streamlining,—Minerals as Hobbies,—just a few of the subjects. Composed of thirty-three “scientists,” the club is affiliated with the Student Science Clubs of America . . . Members read of national and international news in the world of science in the Science Leaflet . . . 1:20 comes all too soon for the members, for it means the end of a worth-while meeting.

. . . Ready to Dive In - The Aquatic Club

Aquatics!—Something new? Yes, indeed,—a swimming club for high-school girls. Tests, and plenty of them.—Twenty-one girls prove themselves worthy of membership.

Watch them as they perform in the pool every Thursday at 3:30. Here is a girl on the diving board. In she goes—not good enough,—she tries again,—better this time,—now, once more—sm-o-o-th!

Over in the last lane, three mermaids are practicing the tandem—we would not like to be the girl in the middle—her head is under water too often! Down at the shallow-end, two others,—no, four,—two are sitting on the shoulders of the others—are having a water fight,—friendly, but a little damp. At our last glance, we see ten girls diving from the side of the pool, one after the other, with grace and perfect timing of real mermaids.

A Minstrel Show? Yes, Bellevue High had one this year . . . a good one, too . . . put on by the boys of the band and glee clubs on March 8 . . . The audience was happily whisked away to the "Land o' Cotton" where black-faced comedians entertained through a full sixty minutes . . . A handsome interlocutor . . . jolly end-men . . . witty sayings . . . snappy melodies . . . jokes and choruses . . . all added their part to make the 1938 Minstrel Show a huge success.

Intermission . . . Little Lee Fritz from the second grade gave a drum demonstration . . . Then followed the band concert . . . a fine exhibition the result of a long period of strenuous practice . . . a pleasing finale to an enjoyable evening.

. . . Junior Dramatics Too

A club for budding actors? . . . Yes, the Junior Dramatics club, having been reorganized this year, is composed entirely of juniors . . . On alternate Thursdays "stage-struck" students meet to discuss the theater and stage . . . Tom Hansen is the president . . . Montaz Richards, vice-president; Evelyn Diehr, secretary; James Flenner, treasurer; and Miss Esther Schachtele is the able adviser . . . "Green Shadows" and "Household Hints," two one-act plays, were presented by the club before the entire student body . . . Not only plays, but also monologues and readings . . . "School Days" given at pep meeting helped Bellevue beat Norwalk . . . The minutes of the secretary show a very worth-while year.

The play's the thing . . . the players, the Crimson Troupers, eighty-seven seniors in all. Turn back the hands of the clock to September . . . the spotlight focuses on the club director, Miss Jessie Green, and the stage is set for an active year.

A record of ten performances shows no idle moments. The first was "Breakfast," a one-act comedy, later presented at Norwalk. In this group of pictures note the mountain cabin scene from "All the Rivers," a melodrama in one act. The annual Christmas play, "One Gift Above Another" . . . it's pictured here, too. An all-boy cast presented "Dress Reversal" in assembly . . . and then at Willard . . . The picture shows that boys make handsome girls.

Something new . . . the club organized into groups to present four student-directed plays. First: "Thrills Preferred" . . . a

scene from this mystery-comedy is also shown here. "At the Stroke of Twelve" and "Who Gets the Car Tonight," a hilarious farce, followed in close succession. An all-girl cast brought the season's program to a close with "My Cousin From Sweden."

JOHNNY STOP WATCH HAS HIS SAY . . .

"Start-stop; start-stop . . . that has been my life ever since I was put in control of athletics for B. H. S. "Strongmen." I run all football and basketball games, track meets, and swimming events.

"How I love to stop others! Give me a tense moment when the score stands 21-20, and I'll see that the gun goes off.

"I helped Captain Stockmaster and his team beat Port Clinton in their only win of the football season. Just look at the jubilant grins of the "fellas." In fact, even 'Agony' looks happy.

"When seconds count as they do in the basketball games, I make the final decision. Don't you remember the Tiffin game?

"See how Coach Hoffman and the team "talk it up" in the huddle, until I say it's time to start. And how I enjoy hearing a lecture such as Coach gives the boys during the half!

"I've got to work now. If you want to watch me, turn the pages . . . you'll find I am always Johnny-on-the-Stop!"

Varsity Football Means Exciting and Colorful

At 3:30 the hall clock turns its duties over to the stop-watch which steadily times the husky players on the gridiron, cage, or track squads. These lads are under the able guidance of Coaches Hoffman, Gahn, and Corthell.

A week before school started, the football squad reported for practice and started running over their plays. This year's team consisted largely of inexperienced players, with only eight letter-men returning. The problem of developing the team presented a tremendous task for both the coach and the players. A short season of only eight games but tough competition lay before them.

FOOTBALL SEASON

September 17—Bellevue 2, Fremont 27.

Bellevue's Crimson squad proved to be rather "green" when they met Fremont's most powerful veteran eleven in a night game on the opponent's field. The Redmen played an excellent game the first half and held the opponents to one score, but in the second half they crumpled under a series of plunging attacks which gave Fremont two more touchdowns. In the final minutes of play, Bellevue did succeed in blocking an enemy punt for a safety.

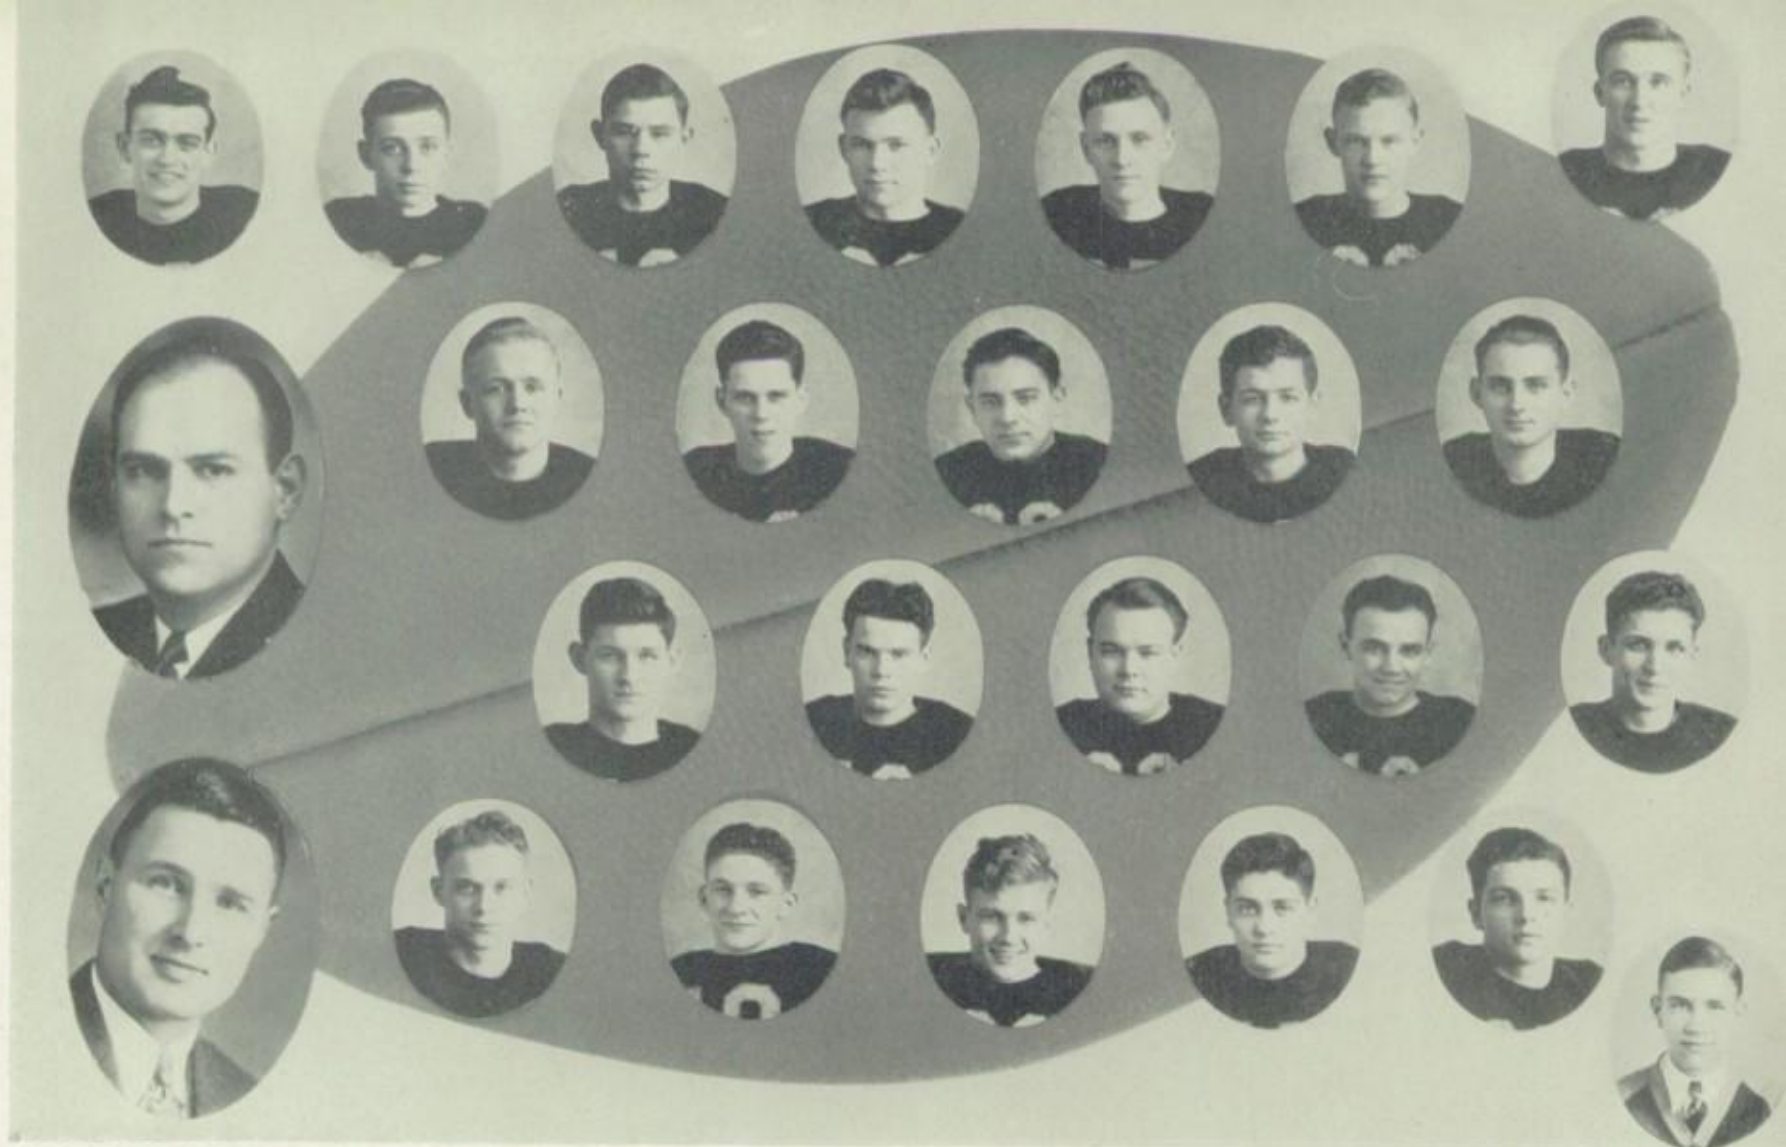

September 24—Bellevue 0, Tiffin 10.

A record crowd turned out to see the Redmen in their first home game. The team showed some of its finest playing, holding the opponent scoreless for three quarters. In the last few minutes of the fourth, Bellevue again broke down under the offense of a more seasoned team and gave way to a touchdown and a field goal.

October 2—Bellevue 13, Oak Harbor 13.

At Oak Harbor, the boys went into the game with high hopes of winning a fray. They unleashed their attack for a touchdown, but the Harborites surprised the team with a trick play that turned out to be a touchdown also. Again Bellevue scored and converted the extra point, and again the tricky opponents scored on a pass and converted their extra point. Then the gun went off, ending the game in a tie.

They Drive Down the Field to Victory

October 8—Bellevue 0, Willard 30.

Bellevue went into its first league game at Willard only to be completely routed by the Railroaders. They started out in fine form but Willard's seasoned grid machine proved fatal to the Redmen.

October 15—Bellevue 12, Galion 13.

In this tilt the local lads displayed their finest playing ability. They worked together in perfect team work and almost defeated another strong team. Bob Dennis, our hard plunging full-back, like the rest of the team, was at his best in this game, and scored both Bellevue touchdowns.

October 22—Bellevue 6, Oberlin 37.

In this game Oberlin put on the field one of the smoothest grid combinations that Bellevue has faced in many years. Only twice was Bellevue able to launch anything that looked like a scoring drive against the hard-fighting adversary. In the second attempt they succeeded in scoring. Al Stockmaster, who captained the team and played regular guard, was pulled out of the line and converted into a ball carrier. He did the ball carrying that resulted in Bellevue's touchdown.

October 30—Bellevue 13, Port Clinton 7.

At last Bellevue saw a chance for a league victory. They faced an opponent with a rating similar to their own and proved they were really a good team in their own class. Bellevue's passing offense finally clicked, and in the early part of the game, Jack Coe scored on a neat pass from Bill Houle. Later, on another completed pass, they carried the ball up to the five yard line and Bennehoff carried it across the chalkers.

November 5—Bellevue 0, Norwalk 12.

The local lads wound up their season in a home game against Norwalk, league champions. Our defense proved rather strong against Norwalk and the team showed a decided improvement.

Urged on by "Fight, Team, Fight"

The squad was within scoring distance several times but was never quite able to push the pigskin across to score.

THE SENIOR LETTERMEN

Captain Al Stockmaster finished his third year on the varsity squad as a guard with a record that is hard to beat. His excellent blocking and uncanny ability to break through the opponent's line to tackle for a loss made him a spectacular linesman. Toward the end of the season he was shifted to the backfield and did some hard plunging.

Bob Dennis was the hard plunging fullback who did the punting for the team. Pug's ability to drive through the opponent's line netted him two touchdowns in the Galion game.

Clair Barnard proved to be a good player at his end position and stopped many runs around his side.

George Snyder was another player remaining from last year's championship squad. He was a tough tackle who broke up many of the enemies' plays.

Frank Muscetta, who held down a guard position, was a hard and accurate tackler with plenty of pep and energy. His excellent blocking opened up many holes for runners in the opponent's line.

Jack Coe was an efficient "snatcher" at the end position. His tackling, blocking, and getting down under punts made him a valuable linesman also.

Eugene Basch, at the end position, was always first to get down under punts and stop the opponents.

Cheer Leaders: Marian Radebaugh, Ethel Shepherd, Earl Abel, Kathryn Christman, Estelle Callenni.

Victorious Fighters are These Boys

Bob Bischoff was a newcomer to Central High football, but his playing at the tackle position was very commendable. He tackled hard and low.

Charles Richards played both at the tackle and guard positions. He was always able to slip through the line to break up the opponent's plays. He hurried down under punts and made the tackles as fast as the ends.

Robert Segna, although one of the lightest men on the squad, earned his letter at the pivot position and upheld the center of the line like a veteran.

Four other senior boys received their minor awards: Charles Hughes, tackle; Anthony Sberna, guard; Ray Christmas, center; and Nello Monarchi, guard. These players were all scrappy fighters and excellent assets to the team.

THE RESERVE TEAM - LEAGUE CHAMPIONS

Mr. Corthell has built up one of the most promising Reserve teams that have appeared in Bellevue for many years. He has assured Coach Hoffman that despite the fact that most of the varsity players have graduated this year, his underlings will be quite capable of filling their shoes next year.

These boys offer promise of strong squads for several years to come, for most of them are freshmen and sophomores, and of good size and build. They won three games and lost four, but those won were all league games, thus making them Reserve league champions. They displayed their best work against Willard and Port Clinton. In the season as a whole they outscored their opponents 58 to 51.

Review 674 Thrill-Packed Minutes - With the Basketball

Smooth, clock-working basketball combinations kept the gym and newly-installed basketballs in constant use during the winter months. From 3:30 to 8:30 varsity, reserve, freshman, and junior high teams practiced to perfect their coordination, speed, and accuracy.

A most successful season resulted. Enthusiasm ran high among coaches, team members, fans, and students. The varsity gained five league victories against a lone defeat to tie for the Little Big Four championship. Moreover, in a season of 21 games, the Bellevue varsity boasts of 18 victories. The reserves, also under the able guidance of Vern B. Hoffman, have gone undefeated in the league. They established a record of sixteen straight victories after losing the first three openers. Assistant-Coach Corthell molded a squad of freshmen yearlings into another championship. With a record of 9 wins and 2 defeats for the current season, they entered a district tournament at Tiffin where they defeated Bowling Green, Tiffin Junior Order, and Fostoria to become the district champions. The Junior High squad, also under Coach Corthell, practiced with the freshmen in the evenings. They showed much promise of becoming future champs.

Varsity Basketball

The varsity had only three lettermen available from the 1936-37 championship squad, yet they were confronted with the most strenuous schedule in recent years. Coach Hoffman had to search the reserves for further prospects and there found enough material to assemble a squad which was able to win 18 out of 21 game and to share the league honors.

Captain Bill Houle and Glenn Hime, both juniors, were accredited with honorable mention on the all-Ohio cage team selected by the United Press. Glenn Hime also paced the locals in scoring with a total of 166 points. Eugene Basch trailed closely behind Hime with 161 points.

Varsity

VARSITY BASKETBALL TEAM

Equipped with new red and white satin suits, the Redmen opened their bruising campaign at Bowling Green on December 3 by topping off the Wood county lads in a 23-22 thriller.

Next, working together as smoothly as a clock, Coach Hoffman's proteges easily defeated Shelby 32-20 on December 10. Barnard proved his shooting ability by scoring 10 points.

Eighteen Victories in Twenty-one Games is the Record of

Captain Bill Houle took matters into his own hands by contributing 10 points to topple the Lorain Steeltowners, 30-24 in the season's first home appearance on December 11.

On the warpath again on December 17, the Redmen proved very efficient under pressure by rallying from behind, 13-20, at the half to win from Tiffin Columbian, 25-23. Tiffin went on to win the Buckeye League championship.

Amherst wilted before Bellevue the following night, 29-16. This was the only class B school on the Bellevue schedule.

Lack of time cut a final Scott High rally short as the Redmen captured their second victory in as many years from the Toledoans, 34-31. Accuracy proved to be the fundamental factor on the foreign court as the locals made over 40 percent of the shots attempted. Hime and Basch led the scoring with 12 and 10 points respectively.

With Charles Cupp and James Zechman in their line up, the Alumni offered the varsity much trouble before bowing to them, 32-31.

The local cagers began their league conquest against the Maple City rivals on January 7. Barnard regained his stride to tally 11 points as Bellevue easily trounced Norwalk, 37-26.

Undefeated in eight previous starts, the Redmen journeyed to Port Clinton to lose a tough one to the Big Red team, 41-49. Stevens, all-Ohio forward of the opposition, scored 19 points.

Bellevue regained their winning stride the following evening, however, by upsetting Tiffin Junior Order, 32-24.

Willard fell at the hands of the Redmen in the local gym on January 21 by a 30-19 score. It was the second league victory out three attempts. The three accompanying pictures were all taken

the League Co-Champions

during this exciting game.

Oberlin was completely overwhelmed by the Redmen the next night, 39-20. Bill McClain, a sophomore showing much promise, scored 12 points.

The Hoffmanites greatly pleased both the coach and the fans as they gained another victory, 34-24, over Toledo Rossford on the home floor in January. Houle led the attack against the Toledo district champions with 10 tallies.

The second round of the league play-off began against Norwalk on February 4. Basch scored 11 points to lead the locals to a 23-13 victory.

After putting up a desperate fight for three quarters against Elyria and coming from behind to tie the score 15-15 at the end of the third period, the Red and White went down for the second time in fifteen starts, 31-18.

League Champions, Too, Are These Basketeers

Bellevue was not to be beaten on the night of February 4. Before a record crowd of 2300 fans in the Central High auditorium, the Redmen gave the Port Clinton Big Reds a first class shellacking, 44-25. George Snyder held Frank Stevens to 4 points, while he himself scored 8. Hime and Basch again led in scoring with 15 and 14 points respectively.

Bellevue tied Port Clinton for league honors on February 18 when a last minute Willard rally was stopped by the crack of the gun. Hime led with 13 counters. Bellevue 29, Willard 25.

Referee "Bill" Pressing had his hands full on February 22 when Coach Hoffman turned his fighting Redmen loose against Sandusky. The visitors were completely vanquished, 40-19, as Hime again paced the offensive attack with 13 points.

The Redmen ended their regular schedule with a game with a Buckeye League opponent. On February 25, the fast pace which the Reds set was a little too much for the Fremont Little Giants, who were overthrown 28-16. Basch scored 10 points.

Bellevue met Port Clinton for a third time when they entered tourney play at Sandusky on March 5. The league rivals exhibited good basketball but they were surpassed by a slightly superior team, 35-25.

The following week, however, spelled disaster for the locals. The nervous strain of twenty hard games became evident on the Redmen as they bowed to a tall Mansfield team, 25-13. Clair Barnard, Eugene Basch, Robert Dennis, Paul Rempe, and George Snyder ended their high-school basketball career in this game, leaving Captain William Houle, Glenn Hime, William McClain, James Flenner, and Lawrence Bennehoff to carry on next year.

Then came banquets and dinners galore to end a victorious season.

THE RESERVES

A winning team, too, was developed by the Reserves, composed chiefly of sophomores. This group of hard fighters, although younger than most of their opponents, always provided excitement for fans in the preliminaries. They won 16 games, and were undefeated in the league to win the fourth consecutive mythical reserve league championship.

Athletics for Every Boy - Intramural Sports

An intramural tournament provided an opportunity for all the boys who were not playing on the freshman, reserve, or varsity squads to compete in basketball during the winter months. Sixty energetic boys divided into eight teams composed the intramural league. The Indians, captained by Jimmie White, went undefeated to win the hard-contested tournament.

A boys' interclass swimming meet provided plenty of action in the early spring. Mr. Hoffman, the physical education director, divided the boys' gym classes into four teams, each consisting of members who were in the same grade in school.

The seniors, captained by Al Stockmaster, captured 8 firsts, 3 seconds and 4 thirds to win with 68 points. The juniors were second with 27. The freshmen scored 19 to outpoint the sophomores by 10 points for third place.

The meet was held in two after-school sessions after each team had had a practice period to pick its qualifiers.

Minutes Count for Much in This Sport

Faced with the loss of seven major and three minor lettermen, Bellevue High's track coach, J. W. Gahn, nevertheless succeeded in building around the six returning lettermen, a strong track squad again this year.

The 1938 track and field competition was opened on April 13 when the Redmen engaged in a dual practice meet with the Clyde team. The local boys had little trouble in gaining the victory by a score of 70-30. Charles Richards was the individual high scorer of the meet with $11\frac{1}{2}$ markers.

On Wednesday night, April 20, Bellevue's second annual night meet under the lights of Harmon Field was held when the Centralites played host to a strong Tiffin Columbian team. The Tiffin lads handed the Redmen their first setback of the year to the tune of 70-48. This was the first time a Tiffin team had defeated Bellevue in a regular track contest. Roy Beasley, Bellevue's versatile track star, paced both teams in points, snaring three first places and one tie for second, making a total of 17 points. Closely following were Kalies and Richards of Bellevue with 10 and 9 points respectively.

Track, with Pole Vaults, Hurdles, and Dashes

On April 29, a team of nine runners and jumpers journeyed to Mansfield to compete in the twelfth annual Mansfield Relays. The competition encountered in the meet, in which were entered 1500 athletes representing 85 schools from five neighboring states, proved to be too stiff for the Redmen, and no one of them was able to place.

Friday, April 29, the Redmen engaged in a dual League meet with the Willard Railroaders after school at Willard. The Bellevue trackmen returned home with their second victory of the season, having overwhelmed Willard, 87-31. Bellevue captured first place in every event but one. Roy Beasley was the high scorer with four firsts for a total of 20 points. Following him in scoring was Charles Richards, sprinter and weight man, with $16\frac{1}{2}$ points. Howard Kalies took both the mile and half-mile runs to score 10. With the advantage of a strong wind and a favorable straight away, Richards ran the 220 yard dash in 21.8 seconds to break all former Bellevue High records. Close behind him in this race were Houle and Muscetta who finished second and third respectively.

On the night of May 6, the Redmen bowed to a slightly stronger Norwalk squad, 62-55 $\frac{1}{2}$. Bellevue was able to equal the Maple City rivals in number of first places, however, with each team

scoring seven to keep the score nip and tuck until the final race. Charles Richards was the high scorer of this night meet with $16\frac{1}{4}$ points. Richard Schoen showed much promise for the future when he heaved the shot 41 ft. 9 in. to win easily, while Roy Beasley chased Norman Call, of Norwalk, to a new Whitney Field record of 16.1 second in the high hurdles.

The Comet went to press too early to make possible the publication of the results of Bellevue's last two meets, the annual League meet, and the District meet. The Redmen were especially pointing for the League fray, for they hoped to gain revenge for a $\frac{1}{2}$ point defeat suffered at the hands of Oberlin last year. The District meet was held this year at Fremont. A year ago, the 1937 track squad scored 29 points to finish fourth in the district meet at Sandusky. At the same time Sandusky took first place with $91\frac{1}{2}$ points; Mansfield, second; and Fremont, third. The four other schools entered finished below Bellevue.

Thirteen senior tracksters will be lost to next year's team by graduation. Of these Beasley, Richards, Sullivan, Bellard, Muscetta, and Snyder will be the hardest to replace. Next year's team will include Kalies, Swaebly, Houle, Bennehoff, Schoen, Wehr, Flenner, Hime, Redd, and B. Bellard.

Girls' Athletics Important Too

Girls' athletics, under Miss Ellen Garner, took a prominent place this year at B. H. S., and each week found the girls enthusiastically playing the sport of the season. Glimpses on the following page are typical of fun-packed moments. The camera caught some of the girls as they were playing indoor baseball, others swimming, and still others enthusiastically cheering their teammates.

Soccer was first on the girls' athletic schedule. Class teams made up of any who wanted to play vied for honors, with Captain Bonam's seniors emerging victorious. At the close of the interclass competition, an all-class honorary team was chosen by Miss Garner.

The Senior team includes: Janet Bonam, captain; Ruth Black, Hattie Boyer, Mary Estelle Calienni, Mary Castrovince, Juliette DeLuca, Rhea Disandis, Kathleen Fehl, Genevieve Lewicki, Josephine Santoro, Mildred Shupp, Virginia Starr.

The All-Class Honorary team is: Janet Bonam, Mary Estelle Calienni, Marguerite Crawmer, Bertha Foos, Eleanore Hazelback, Roberta Kingman, Mildred Shupp, Virginia Starr, Janet Torow, Dorothy Tribolet, Ann Woodward.

Honorable Mention: Arlene Kalies, Luise Eske, Louise Fultz, Ruth Black, Juliette DeLuca.

SOCCER

VOLLEYBALL

BASKETBALL

Volley Ball, Basketball, Indoor, and Swimming Meets

When the weather made it impossible to play outdoor soccer, volley ball took its place. Again Captain Bonam's Seniors succeeded in garnering the championship. At the close of the volley ball tournament, two honorary teams were chosen, the Reds and the Whites.

The Senior team included: Janet Bonam, captain; Bettye Archer, Ruth Black, Hattie Boyer, Mary Estelle Calienni, Mary Castrovince, Norma Cloud, Juliette DeLuca, Rhea Disandis, Dolores Herner, Anna Mae Linder, Bettie Roberts, Mildred Shupp, Virginia Starr.

The Honorary teams included: Janet Bonam, Ruth Black, Mary Estelle Calienni, Mary Castrovince, Kathryn Christman, Marguerite Crawmer, Marian Cupp, Juliette DeLuca, Justine Douglas, Marian Gibson, Virginia Hagerman, Genevieve Lewicki, Angeline Nasonti, Barbara Shupp, Mildred Shupp, Janet Torow.

The new semester found the girls' basketball season well underway, with twelve teams competing for honors. Captain Starr's Starlites were acclaimed the victors after they defeated Marjorie Kelly's White Mules in the finals. From these teams were picked four class teams to play for the class championship, which was won by the seniors led by Betty Kirkendall. Last but not least was picked the All-Class Honorary team.

The Starlite team consisted of: Virginia Starr, captain; Bettye Archer, Ruth Black, Virginia Bodey, Janet Bonam, Marian Cupp, Kathleen Fehl, Betty Kirkendall, Caroline Lepley, Nancy Nye, Mildred Shupp, Dolores Stockmaster.

The Senior Class team included: Betty Kirkendall, captain; Ruth Black, Janet Bonam, Mary Castrovince, Marjorie Kelly, Genevieve Lewicki, Bernetta Miller, Nancy Nye, Mildred Shupp, Virginia Starr.

The All-Class Honorary team included: Janet Bonam, Marian Cupp, Marguerite Crawmer, Ruth Flenner, Betty Kirkendall, Caroline Lepley, Nancy Nye, Louise O'Donnell, Virginia Starr, Janet Torow.

In the spring, at the conclusion of the weekly gym track practices, a girls' track and field

Cause Much Feminine Excitement

meet was held. The events included the 50, 100, and 220 yard dashes, low hurdles, standing and running high jump, relays, basketball and baseball throwing, and the shotput.

Later the girls enjoyed a round-robin baseball tournament, and Miss Garner gave tennis instruction to those who had their own equipment.

Once a week throughout the year almost two hundred girls from the Junior and Senior High Schools attend swimming classes. The aim of the students is to qualify for the Aquatic club.

The Play Day, held March 29, was the biggest undertaking of the year. One hundred and fifty-three girls, from Fremont, Bucyrus, and Bellevue played together for a day of fun in Central's gym. They competed in basketball and swimming, and enjoyed songs, stunts, and lunch. The event, under the direction of Miss Garner, was the first of its kind in Bellevue. Nancy Nye was general chairman, with the following girls acting as chairmen of the eleven committees which carried out the successful arrangements: Marguerite Crawmer, Ann Woodward, Juliette DeLuca, Betty Kirkendall, Lucy Moore, Ruth Black, Mary Estelle Calieni, Virginia Starr, Betty Farr, Kathleen Fehl, and Dorothy Tribolet.

GRANDFATHER CLOCK TO THE SENIORS:

"I've let the other members of the Clock family have their say, but now I, old Grandfather Clock, want to congratulate the seniors for the fine way they have completed their twelve years of school. They surely looked happy, as though thinking of a job well done, that sunny spring day when the informal pictures you see on the opposite page were taken.

"Yes, they present a fine appearance in their caps and gowns, too. I must say that mortar-boards make their wearers look intellectual. But I wonder if they realize that they would still be freshmen if the Clock family had not kept on the march. They should remember that only time has made them what they are.

"Keep yourselves wound up, Seniors; don't lose your keys. Keep your hands free of dirt, for that slows you up. Ring forth clear chimes and be faithful to the last second. Be dependable, and long years of ticking will be your reward.

"And always remember your class motto, 'There Is Never a Moment Without Some Duty.' "

MOTTO:

"THERE IS NEVER A MOMENT WITHOUT
SOME DUTY"

—Cicero

Four years in high school have ticked quickly but happily away, and now the class of 1938 must leave Bellevue High. But they carry with them fond memories: . . . As freshmen, puzzling over the intricacies of lockers and confused at the many bells . . . paper bows at their first class party . . . classes and examinations . . . The amateur hour at the sophomore party . . . A picture album come to life at the junior frolic . . . the sponsoring of a marionette show . . . the arrival of the class jewelry . . . Southern mummies and a white pilared mansion at the Junior-Senior . . . Then their last year . . . the senior stand at football games . . . senior officers wielding the gavel in many an organization . . . the Christmas dance . . . the Recognition banquet . . . name cards and commencement invitations . . . "Company's Coming" . . . caps and gowns, baccalaureate . . . and then . . . graduation.

Expectantly the graduates go forth to a world where "There is never a moment without some duty."

CLASS SONG OF '38

Tune: "Wonderful One"

Words by LOIS MAE EBERLY

by Paul Whiteman and
Ferdie Grofe

Our school days are o'er and the future's before us,
We all shall be going our ways;
Though we may go far, in memory we'll always
Remember our happy school days.
The friendships we've made are a priceless possession;
We'll cherish them our whole life through;
We'll remain ever loyal
To the teachers whose toll
Have taught us the right thing to do.

Our training at Central is always reflecting
In deeds that we do every day,
Our standards of life are as high as the goals
We've worked for in dear Bellevue High.
With joy we are leaving a bright shining record;
With sorrow we leave school life here.
Class of '38 now salutes you
Who have guided our lives through
These memories we're holding so dear.

National Honor Society

"Scholarship. Leadership, Service, Character"

The highest honor that can be conferred upon a senior in Bellevue High School is membership in the National Honor Society. This year, eighteen seniors have been elected to this society as a result of four purposeful years in high school.

Fifteen percent of the graduating class, selected from the upper one-third of the class are elected each year on the basis of scholarship, leadership, service, and character. Industry, dependability, resourcefulness, and integrity mark the character of those elected. In this group are the leaders among the students, those who get things accomplished.

Bellevue's charter was obtained in 1924 and since that time one hundred and seventy-three students have been elected members of the society. The society is sponsored by the Department of Secondary-school Principals of the National Educational Association.

Quill and Scroll

"Clear and Forceful Writing"

The clock ticks away many hours before one reaches membership in Quill and Scroll, the international honor society for high-school journalists.

These hours are spent in earning a place on the news staff, then in editing the school page, more writing, perhaps for the Comet, and finally enough excellent material printed to merit recognition in Quill and Scroll. Grades in the upper one-third of one's class for the preceding semester are necessary also.

The officers, who made Quill and Scroll in their junior year, are Tom Shannon, president; Nancy Nye, vice-president; and Betty Greenslade, secretary.

In March, Betty Kirkendall, Ruth Stengel, Kathleen Fehl, Agnes Meredith, Roberta Kingman, and Jean Bellard were initiated, and the rest became members at the Recognition Banquet.

This group, timed often by the stop watch, have excelled on the athletic field, basketball court, and cinder path. Moreover, they have maintained in the classroom the high standards of the National Athletic Scholarship Society and thus they have achieved the coveted honor of membership.

To be eligible to wear the N. A. S. S. emblem, an athlete must have earned a major athletic letter in one of the three departments of sport, and must have been scholastically in the upper half of his class throughout the last three consecutive semesters.

Clair Barnard and George Snyder won letters in both football and basketball. Charles Richards and Frank Muscetta were monogram winners both on the gridiron and on the cinder path, while Robert Segna, Al Stockmaster, Francis Segna, and Robert Bischoff excelled in football, and Jean Bellard, in track. All these athletes have learned to combine intellect with brawn.

National Thespians

"Act Well Thy Part"

Well-thumbed scripts, grease paint, colorful costumes, and stage scenery, all play important parts in the school lives of Thespians.

To be made a member of the national honorary society for high-school dramatists, a student must have one major in acting or its equivalent in back-stage work. He must also meet scholastic requirements.

Seniors Are Honored by Junior Reception

Longed-for moments pass all too quickly in a transformed gym, the setting of the Junior-Senior Prom. Here you see the results of the efforts of the hardworking hosts and hostesses of 1937, who in turn became the leisurely guests of 1938. The high school gym last year was magically changed into a plantation in the sunny South with familiar mammies and darkies.

On May 20 of this year, the scene changed to a modern skyscraper of the North, when the class of '39 entertained this year's senior class in a spacious pent-

house looking out upon the bright lights and tall buildings of a great city.

Amid lovely spring flowers and soft music the students danced away the hours. During the intermissions talented junior artists entertained with musical numbers and dances.

The theme of the reception was carried out in the invitations, which showed a background of skyscrapers, and in the dance programs, which were gay with top hats and canes.
